

wedi TILE PROFILES: Leading Edge Solutions for Style & Protection

wedi's always on the leading edge of great solutions for beautiful installations. Take our versatile tile profiles, for example. These smart alternatives will raise the profile of your next commercial or residential project.

Beautiful in a range of finishes and functional as protective edging and finish to expansion joints or balconies, wedi tile profiles complete projects in style, for superior performance.

Experience our full range of options to fit your installation requirements and styles.

- **wedi Sun Tile Profiles:** Brass edges for secure protection in industrial or extreme situations
- **wedi City Tile Profiles:** Aluminum solutions for home applications
- **wedi Arena Straight Tile Profiles:** Stainless steel, V4A base for corrosion resistance in sea water and harsh industrial settings; each profile custom engineered to fit installed tile
- **wedi Rounded VIP Tile Profiles:** High-grade for edge protection in space-constrained installations; rounded edges for scrape-free surfaces; matching corners available
- **wedi Stop Edge-Protection Profiles:** Stainless steel, V4A—ideal for adding edging to existing commercial/high stress installations; can affix to wall coverings with wedi joint sealant
- **wedi Combi Height-Transition & Protection Profiles:** Stainless steel, V4A to create clean transitions between surfaces of varying heights
- **wedi Step Tread Profiles:** Brass and stainless steel protection for high wear, extreme traffic conditions of tile and stone steps

Dear wedi Customer!

Though some of us may still be surrounded in snow and frigid temperatures, the reality is that spring is just around the corner. With the new season will come an increased interest in construction projects and tile installations.

As always, we are here to help you plan ahead. Our innovative product solutions, such as the popular and useful tile profiles can enhance your installation abilities and bring your customer better experiences with tile's versatility and performance.

If you're looking ahead for a busy spring, connect with us now to get a firsthand perspective on the trends and ideas we see on the horizon for your business and the tile industry.

We're excited to welcome the new opportunities soon to 'spring' up. Let us be your partner for commercial and residential installations that need the most leading edge solutions.

Sincerely,

BASTIAN LOHMANN
